INDIAN PURSUIT appreciated the drop back to 5f when denied by just a neck here at the weekend and John Quinn's course winner could be the answer off the same mark. Edge Of The Bay has been in good order of late and bumped into a thriving winner when having to settle for second over course and distance on the same card. She must have a great chance here off the same mark and can confirm form over the useful Leo Minor, who was fifth on that occasion. The form of Solar Park's Wolverhampton third to Smokey ties in nicely with the aforementioned and the mount of Oisín Murphy is another to consider.

UNFORGIVING MINUTE ran as expected when sent off at 100/1 in handicap company over a mile most recently but his form before that in claiming contests mark him out as the one to beat here, and the return to 7f and Adam Kirby in the saddle suggests a bold bid is likely. Dancing Rave and Reckless Endeavour are next best in the line-up on official ratings, with the former having the assistance of Oisín Murphy in the saddle, while Boy In The Bar is a course-and-distance winner and is hard to rule out.

Eagle Creek makes plenty of appeal off an ever-decreasing rating having shaped with promise the last twice. However, preference is for HARRY LOVE, who is only 3lb higher than when causing a surprise at Beverley in August and is 1lb higher than when denied by just a head at Wolverhampton earlier this month. Course-and-distance winning pair Asdaa and Love Dreams are others to note.

LADY MORPHEUS hit the front a bit too soon when second at Kempton last month and go one better this time granted a more patient ride. The four-year-old has only gone up 2lb for those exertions and is fancied to prove too strong for Cristal Pallas Cat, who ran well when third over C&D a fortnight ago and has another low draw to work with here. Reponse Exacte was second here earlier this month and was denied a clear run when fourth at Wolverhampton 12 days ago.

ROCKESBURY was gaining all the way towards the line when second over 6f here earlier this month and could go one better now upped in trip with Oisín Murphy taking the ride. A dual course winner, he might prove too strong for recent C&D hero Pope Gregory, who has a quick turnaround and 6lb penalty to overcome. Farewell Kiss ran well in defeat last time and arrives with solid each-way credentials.

Mars Landing is becoming frustrating to follow after consecutive displays as a beaten favourite for Sir Michael Stoute, and the door might be open for the once-raced AT EASE to score. The Oasis Dream filly is a half-sister to seven winners and showed up well for a long way when fourth on debut at Newcastle four weeks ago. She has a low draw to work with here and could take some beating. All Of The Lights might prove best of the remainder.

BRIGHT START hung left under pressure when fourth at Redcar last month but Saeed bin Suroor's three-year-old is capable of making amends having been gelded and applied with a set of cheekpieces for the first time. Systemic is open to further progression following his handicap debut fourth at Lingfield, while the drop in grade will help The City's Phantom having encountered a strong handicap at Newbury last month.

FLYING STANDARD has improved considerably on his most recent outings and arrives having produced a career-best performance at Wolverhampton earlier in the month. An 8lb hike might not be enough to stop Chris Wall's gelding with the extra couple of furlongs potentially bringing about further improvement. Wildomar was just denied making it two on the bounce at Kempton over 2m and this drop back in trip will aid his cause, while recent Wolverhampton scorer Pax Britannica is respected with Oisín Murphy taking the ride.
