KHAZAF made a bold bid from the front over track and trip earlier this month, only headed late in the day when having to settle for a silver medal. He was sent off an unfancied 66/1 there, but thrived in first-time cheekpieces and is sure to be much more on the radar this time around. Stoney Lane's mark continues to fall and he is interesting, while course-and-distance winner Newmarket Warrior is 2lb lower than when runner-up here last month.

3|BAWAADER|61 - 1|STRONG STEPS|58 - 6|CAPTAIN CORELLI|51

GREAT COLACI is only 3lb higher than when scoring over 7f here last month and must have a great chance now stepping up to a mile having rattled the crossbar off this mark earlier in the week. Blazing Dreams wasn't beaten too far when sent off favourite here earlier this month and the track-and-trip winner is respected, while Sienna Dream was in great form this summer and is interesting reverting to the all-weather.

KOMACHI was three lengths adrift of the useful winner Oo De Lally when third at Kempton on debut, but that was a respectable display against more experienced rivals and there could be plenty more to come from the Kingman colt, who cost 625,000 guineas as a yearling. Expect To Succeed was a long way behind the aforementioned Oo De Lally when making his debut at Newbury, but is another six-figure buy who could be an improver. John Gosden saddles the eye-catching newcomer Daddy Frank, with the Frankel colt coming from a good family, while the dam of John Quinn's debutant Roby Mill is a half-sister to the Group 1-winning sprinting superstar Mabs Cross.

Nibras Again put in another bold display when third here 10 days ago and is entitled to go close again, though he is 0-12 on artificial surfaces and will need a bit of luck back under Kevin Stott. Klopp likes it here and returned from a three-month break to strike at Wolverhampton when last seen, but this can go the way of William Buick and NUBOUGH. The pair almost combined for success here a fortnight ago, finishing second after hitting the front too soon, and could make amends here.

Global Hero remains open to improvement and could go close now dropped in trip with Oisín Murphy riding for the first time. Irreverent suffered from a wide trip when fifth in a competitive Ayr handicap last month and could bounce back, but DON'T TELL CLAIRE looked good when beating Wild Hope (third) over C&D earlier this month and could go in again. A 2lb rise doesn't look at all harsh and the Gutaifan filly is still unexposed over a mile. 4|DAWAALEEB|88 - 3|MOSAKHAR|88 - 5|BARONIAL PRIDE|83

The standard set by those boasting racecourse experience isn't very high, so it looks like John Gosden has found newcomer DAFINAH the right race. Gosden is no stranger to introducing an above-average type at this track and the daughter of War Front will likely know her job first time out. Model Guest has had plenty of chances and boasts a decent C&D run to her name. She is the main danger, while Turaath can also get involved.

Sea Empress is in the right hands to enjoy a solid start to her career and it is interesting that her dam won on Tapeta. Lubna represents a trainer in form and is a half-sister to four winners, while her dam won the UAE 1,000 Guineas for this handler. Experience often proves crucial in such events, though, and this could be a shootout between ALSEPHINA and Always Dreaming. The former was the one to take from the race when second at Kempton nine days ago and can only benefit from this step up in distance looking at her breeding.

KAPONO lines up 4lb well-in under a 5lb penalty for last week's easy C&D success and it will take a big performance to stop him if he arrives in the same form. Lightly raced on all-weather and evidently on good terms with himself at present, the four-year-old can get the better of Global Warning, who could take a step forward in a first-time visor, and stable companion End Zone.

LEZARDRIEUX is a winner at this track and is holding his form well at present, so ticks plenty of boxes in the finale. Turf or all-weather, it all comes the same to this three-year-old, who was brave when scoring at Wolverhampton last time and might still be ahead of the handicapper off just 3lb higher. Captain Jameson has a lot more experience and could be one for each-way players, while chances are also given to Be Proud and Nordic Fire.
